She is also one of the teachers in Saturday School Ministry and a member of the Worship Team.

Jun Christopher Sol
4th Year High School

Jun was so thankful that he knows God. Being raised in a family with Muslim mother and converted Muslim father, it was difficult for him. But there is nothing impossible with God. Jun is now a part of youth fellowship in ETW Fellowship in Tayuman and his father is also attending the church now. They are both testifying how God bound their relationship as father and son. They are now going to church together. And hopefully their whole family will soon go to church.
